TED TALK BY MRS. KIRTI PATIL

A close-up, high-angle photograph of a cobblestone street. The stones are rectangular and arranged in a regular grid pattern, receding into the distance. The lighting creates soft shadows between the stones, giving the surface a textured appearance. Overlaid on the center of the image is the text "Thank You" in a bright yellow, cursive font. The word "Thank" is positioned above "You", and both are centered horizontally.
