Owing to the same, to promote the sense of integrity and its significance, our school had organised a special program. The day began with a warm welcome of the Chief Guest Mr. Vinod Ratan, HOD of Chemistry dept, NTPC. After the introduction, the guest gave us valuable inputs on integrity and how it can be instilled in our life. After the knowledge was imparted, it was tested through a Quiz conducted by Ishan Murali & Neil Dongre supervised by Mr. Satish Pujari. The students promised to implant these values in every walk of life through the solemn pledge, presided by the Head Boy & Head Girl. To carry forward the same sense, vivid activities were chalked out for various classes. Class I - III represented the theme in the form of painting, class IV-VI designed the posters bearing slogans and the Students of class VII- IX contributed in the form of pleasant PPT.
