## SPECIAL ASSEMBLY

A special assembly on the theme 'Acceptance & Tolerance' was conducted on this day. The assembly began with a wonderful thought by Karthik, followed by the NEWS read by Krishnageeth and the school NEWS by Kashvi.S. Then the importance of the theme was explained through the dramatization by the students. Thereafter, various students portrayed vivid professions in a tableau form to exhibit that each person is unique.

# SPECIAL ASSEMBLY

# ZESTHALON

Inter-school competitions are a part of Bal Bharati Public School, which runs under the aegis of Child Education Society.

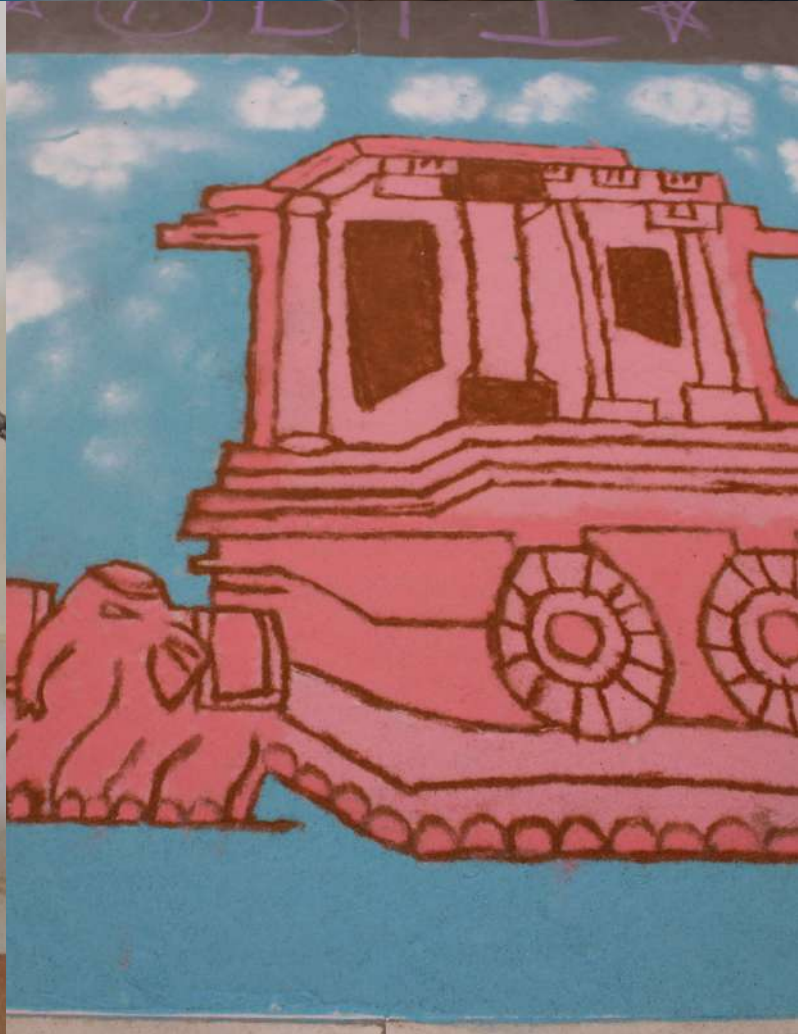

In association with North Karnataka Chalukya Sahodaya and the Hubs of learning, affiliated to CBSE, we organized the inter-school competition-ZESTHALON 2019.

The vivid activities ranging from Quiz, Chess, Badminton, Table Tennis, Rangoli, Street Art, Best out of Waste, Origami & Paper Quilling, Folder making, Badanwar, Mehandi design, Tattoo making, Mimicry, Solo-singing were organized.

ZESTHALON

As an incessant stride of our school, a TED talk was presented by our Computer teacher - Mr. Praveen Kumar on the topic Anti-corruption. He started the talk by narrating the full form of TED as Technology, Entertainment & Design. Then he explained about what is corruption, how can the children help in its eradication. The students gave in their inputs about the topic. The Principal took a quick review and concluded the assembly.

# INTER-HOUSE ACTIVITIES

**THANKSGIVING  
CARDS**  
FOR CLASSES I - V

**POEM RECITATION  
COMPETITION FOR  
CLASSES VI - IX**

# P I C N I C

A refreshing picnic was organized for all the classes. Tiny tots of Mont-I to class II were taken to Mantour 3D park and class III - IX had been to Picnic Point - An Agri Tourism Center at Sholapur, the activities arranged there were: Rain dance, Net Cricket, Volleyball, Foosball, Trampoline, Airwalk, Amphitheatre, Selfie point, Van vihar and much more.

## WORKSHOP ON ENGLISH STORY WRITING

The Workshop on “English story developing” was interesting. The session started with our Principal introducing the guest Ms. Koral Das Gupta, Mr. John, and Mr. Ravidran.

The students were reluctant initially, but as the workshop proceeded, they came up with several innovative ideas. They began writing on their own topics. She gave valuable insight into the components of story writing- the selection of theme, the setting of the story, jot down the pointers and how to build up a story in between the pointers. With the help of these, they could develop the story on vivid allotted topics delightedly.

# WORKSHOP ON ENGLISH STORY WRITING

## MATHEMATICS WEEK

The Indian government declared 22 December to be National Mathematics Day. This was announced by Prime Minister Manmohan Singh on 26 February 2012 at Madras University, during the inaugural ceremony of the celebrations to mark the 125th anniversary of the birth of the Indian mathematical genius Srinivasa Ramanujan (22 Dec 1887- 26 Apr 1920).

Since then, India's National Mathematics Day is celebrated every 22 December with numerous educational events held at schools and universities throughout the country.

To commemorate the same, a number of activities were held in our school on 23 December. The celebration began with sharing some interesting facts about Mathematics through conversation. Further, a quiz was conducted, which was interactive as was planned according to classes, which involved everyone. Few students had written the poems and had recited the same. Thereafter, a skit showcasing the importance of Maths in every walk of life was demonstrated. The students then danced to the tunes of Maths. Our respected Principal gave innate inputs on the occasion and the session concluded.
