- * Science Day Celebration
- * Launching of the "TRANSFORM"
- * Montessori Graduation Day
- * Imprints - Annual Exhibition

There's always the motivation of wanting to win. Everybody has that. But a champion needs, in his attitude, a motivation above and beyond winning. As the exams were shortly approaching, a need for motivation was felt. To carry out the same, under the lemma of Integrity club, a motivational speech was shown to all the students of class I to IX. The speech 'Pariksha pe Charcha' rendered by our honourable Prime Minister-Mr. Narendra Modi was displayed. All the students watched the inspirational video, the discussions held and got motivated. They could relate themselves with the issues being discussed, which was very inspiring. The students were later asked to write a report on the module and a Quiz was conducted to recapitulate the points and affirm the concepts.

Science Day

National Science Day is being celebrated every year to widely spread a message about the Importance of Science used in the daily life of the people. It is celebrated to discuss all the issues and implement new technologies for development in the field of Science. Also to give an opportunity to the scientific-minded citizens in the country & to encourage people as well as popularize Science and Technology.

The Assembly began with a speech on the significance and the reason for the Science day celebration. Then, a skit on the importance of Science in every aspect of our daily life was displayed by class IV. An engrossing quiz was conducted in three stages- Class I - II, Class III - V and Class VI-IX. Overall it was a riveting celebration balancing the ample knowledge with jollification.

TED Talk on Beat the Exam Blues

The month of February and March, all over India is heated up. The reason? EXAMS! The students, teachers and parents coterie possess the same mood. Yes, rightly said - the Exam Fever! Most of them take stress from this normal on-going evaluation. So as to guide and motivate the students towards right preparation and reducing the stress, the topic discussed this month was - Beating the Exam Blues.

Our Faculty Mrs. Reshma Pal, also the in-charge of the Exam Department presided the talk. She talked about timely preparation, presentation of the exams, being stress-free. At the end, our beloved Principal madam reviewed the points being discussed.

Correlating to the most eloquent aspect of life-Safety, an Evacuation Drill on Fire safety was conducted by CISF Fire Wing, with the HR and Safety Department, NTPC in our school on this day.

The school Principal

Ms. Ashu Wadhwa and Shri. Mohan, Insp/F M supervised the Evacuation drill. Insp/Exe DG Rao and other CISF personnel cordoned the area involved in the search operation. Total 242 students, 32 school staff and 28 CISF personnel participated in this drill. Thereafter, the 4 teachers, Management Officials and CISF assembled in the school auditorium to discuss the shortcomings observed.

All this was emanated in about 17 minutes.

EVACUATION DRILL

ANNUAL EXHIBITION IMPRINTS

Bal Bharathi Public school, Kudgi organized Annual Exhibition 'Imprints' on 20 February 2020, 'To spread positivity-Think like a proton', under the auspices of the Principal Ms. Ashu Wadhwa. It was encrusted into 4 components. The Science segment wherein, a number of Self-explanatory charts, the working models, few personalised models like Desalination, were exhibited fantabulously. The eloquent feature being the segment that unravelled a tableau, impersonating the rulers of Adil Shahi Dynasty and a PPT on the legacy of Gol Gumbaz. The best lines of work crafted throughout the year were beautifully arranged in the segment of Montessori corner, Zesthalon corner and Inter-House Activities corner. On the whole, it was a show well worth a visit- a treat to our eyes and soul.

Transform: Career Guidance

In order to provide a helping hand to opt for a right career, a video conference call for class IX - XII of vivid NTPC schools was arranged. Rajiv Bhadoria, a developer of the app 'Transform' enlightened them with various streams of careers, their concerns, etc. Through a session of questionnaire, their queries were resolved.

Montessori Graduation Day

It was a day of rejoicing, for it marks the first step that every child must undertake to open up to another important stage of their lives, because we celebrate the accomplishments and academic achievements of kiddiewinks. "Graduation is an exciting time. It is both an ending and a beginning. It is a warm memory of the past and big dreams for the future". The ceremony commenced with a Welcome Speech by Ms. Kavita Chakraborty, the Junizens rendered some heart-felt talks, sang the inspirational songs. The Senizens presented a speech of gratification and danced on famous tunes.

Our venerated Principal mam conferred them with Meritorious certificates and Graduation caps. The silk graduation robes and caps for children who have yet to learn how to tie their shoes made absolute sense. The parents were overwhelmed to watch their kids perform. Few keen parents came forward to share their words of appreciation about the school, Principal and Staff. Further, Principal mam spoke about the Montessori system, how the kids were taught affectionately, along with being stern at times. The program concluded by a Thank you note proposed by Ms. Saranya.

MONTESSORI KIDS ENJOYED BASANT PANCHAMI, HAD FUN WITH SCIENCE THROUGH BLOW PAINTING & PAPER FAN MAKING, REJOICED IN WRITING COMPETITION, MADE YUMMY SANDWICHES WITH THEIR MUMMY!

CONSTITUTION DAY

Indian Constitution Day or Samvidhan Divas is celebrated every year on 26th of November. It is celebrated on the birth anniversary of Dr. Ambedkar, who played a significant role in drafting of the constitution. On 19th November, 2015, PM Narendra Modi declared 26th November as “Constitution Day”. Our constitution came into effect from 26th January, 1950. As a result, every year we celebrate this day as Republic Day. 26th November is celebrated to remember the importance of our constitution and the ideas of Dr. B.R. Ambedkar. Each and every child of every school is made to read the Preamble of our Constitution.

Being a Democratic nation, everyone has the right to express their views. So, the people who don't like any particular law, express their opinions in form of brawls. This is one of the major drawbacks of being a democratic nation.
